# The giver final test questions and answers

Score: 0% Rank: Correct Answer: This is a non-interactive preview of the quiz content. Score: 0% Rank: Correct Answer: This is a ready-to-use, six-week unit for the highly popular dystopian novel, The Giver. With audio chapters and a PDF link to the text, learners can select their preferred method of reading as they work through daily slides. Throughout this unit, students will read, discuss, react, and closely analyze the text for specific skills, including work on symbolism, point of view, character development, and theme. Perfect for distance learning, this notebook provides several opportunities for collaborPage 2]Just because kids aren't allowed to play in the mud, doesn't mean pigs can't! With this hands on activity, kids get to make pigs muddy (and clean them off) using brown dry erase markers! Down on the speech farm, students practice speech words and fine motor skills simultaneously! Dry Erase Pigs:These packets include 51 smash mats (dry erase mats targeting 23 different phonemes. Students smash balls of brown play dough to cover pigs in "mud" after the desired number of trials of each target word.Our Follow the Path games help learners improve their decoding skills. The games are easy to prep and use, and kids will have so much fun they won't realize they're learning!When you purchase, you'll receive 28 games for CVC words, blends, digraphs, and more.After teaching the phonics concept, print the corresponding Follow the Path game for a center. These games works best with 2 (at most 3) players.How to UsePrint your game of choice and cut apart the corresponding cards. Place the cards faceSpirit of the Sword is a turn-based style role-playing video game that is meant to be a supplement for learning the purpose and uses of commas. It has both educational and entertainment aspects designed to make the game and its content interesting to players that are not usually engaged in traditional learning. It is not meant to be used as a complete stand-alone, but rather as an engaging supplement to what is usually a tedious and dry topic for students. There is a roughly 20 minute story linThe Westing Game Lit Circle Testsby Included are 7 tests over the novel, The Westing Game by Ellen Raskin. Each test is worth 20 points however the format of the test varies from week to week. To evaluate the students' comprehension of this complex mystery, basic formats such as short answer and multiple choice are used throughout. Occasionally, other formats are used such as essay response questions and matching. The test number and chapters they cover are listed below. Test 1: Ch. 1-5 Test 2: Ch. 6-8 Test 3: Ch. 9-12 TestArt: Methods & Techniques, the Complete Semester Courseby (Purchasing this pack saves 30% off the price of buying the lessons individually.)This teacher pack contains all of the lessons for the course Art: Methods and Techniques:An entire semester of lessons and activities for art students18 week-long lessons (each with multiple projects and activities)18 Bonus Projects for advanced students (every lesson has one or more)18 teacher instruction pages (with a materials list for each lesson)Course Review packet (with answers)Unit Test (with answers) In toGrade Level: 5-8Interest Level: 4-12The Discovering Literature Series is designed to develop a student's appreciation for good literature and to improve reading comprehension. While many skills reinforce a student's ability to comprehend what he or she reads (sequencing, cause and effect, finding details, using context clues), two skills are vital. They are: discerning main ideas and summarizing the text. Students who can master these two essential skills develop into sophisticated readers. 79 pChoose a monster and feed him pizza? A kid's dream! This deck includes 20- final /m/, /p/, and /b/ target words. Have your child say their word 5 times before feeding the monster a slice of pizza- this will give you 100 repetitions!Play the first 3 cards here! The PDF that you purchase from TpT contains a link to download the Boom Cards on the Boom Learning website. You will be asked to sign in or create a FREE account. The deck will automatically be saved to your Boom library where you can aceSubjects:Grades:0Choose a monster and feed him pizza? A kid's dream! This deck includes 20- final /t/, /d/, and /n/ target words. Have your child say their word 5 times before feeding the monster a slice of pizza- this will give you 100 repetitions!Play the first 3 cards here! The PDF that you purchase from TpT contains a link to download the Boom Cards on the Boom Learning website. You will be asked to sign in or create a FREE account. The deck will automatically be saved to your Boom library where you can aceSubjects:Grades:0The is a final unit test based on the Adding and Subtracting expectations outlined in the Grade One Ontario Math document. This final assessment is divided into four parts:1. Knowledge and Understanding2. Thinking and Investigation3. Communication4. ApplicationThis task includes the following:1. A four part assessment is based on the 4 categories outlined above.2. A rubric matching the assessment with room for next steps.3. A report card comment for this unit.Subjects:These tests are designed to help evaluate not only if your students are capable of spelling their words correctly, but able to apply that knowledge in proofreading and the dictation sentences. When I implemented these in my classroom, I saw a drastic increase in my students' spelling abilities, and I hope that it will help your students in the same manner!Page 3Easily create personalized, memorable back to school, Meet the Teacher, or Open House gifts for your students with this set of 23 unique gift tags. Help them feel a little more at ease and excited about beginning a new school year by having something special waiting for them. Simply edit, print, and attach to trinkets such as bubbles, Blow Pops, Starburst, cookies, pencils, crayons, etc. Includes 23 different student gift tag designs so you can use a unique tag for multiple classes. Open HousePage 4This resource is a complete science unit with engaging lessons and experiments to introduce second, third, and even fourth grade students to science, the scientific method, and other processes scientists use. Students learn about different areas of science, types of scientists and the jobs they do, science tools, science safety, and planning and conducting experiments using the scientific method. Your students will enjoy ten high engagement lessons in a detailed teaching Power Point, science jouPage 5\*\*HUGE\*\*UPDATED\*\* Visit 15 countries this Christmas as you celebrate holidays around the world with this (HUGE 200 PAGE UNIT). USA, Mexico, France, Italy, Greenland, The Netherlands, Sweden, Australia, GePage 6The BIG MEGA BUNDLE of BLENDS! This MASSIVE Blend packet will help introduce, teach and master blends! As students work through these packets, they will become more confident readers and spellers! This bundle is loaded with all you need to fully master blends! Included in THE BUNDLE: R-BLENDS: (br, cr, dr, fr, gr, pr, tr) L-BLENDS: (bl, cl, fl, gl, pl, sl) S-BLENDS: (sk, sl, sm, sn, sp, st, sw, sk) Ending BLENDS: (ct, ft, ld, fl, lk, lt, mp, nd, ng, nk, nt, pt, sk, sp, st)\*\*\*Download the PREVPPage 7Your kiddos will love completing these interactive activities in independent or small group settings. This pack features 16 centers designed for Kindergarten students which allow them to practice uppercase letters, lower case letters, beginning sounds, short a words, short e words, short i words, short o words, short u words, numbers to 10, numbers to 20, addition to 10, subtraction to 10, 2D + 3D shapes and base ten blocks. There are both color and black & white (ink friendly) versions inclPage 8With 75 vocabulary terms to search for, this would be a great fun-when-done worksheet to wind up the school year. Or send your students home with it for a vacation activity. The terms are hidden in all directions and there may be some overlaps making this definitely a challenging puzzle. The 75 hidden vocabulary words are: Air Conditioner, August, Backpacking, Barbecue, Barefoot, Baseball, Beach, Berries, Boat, Camp, Canoe, Daisy, Dive, Fan, Find, Fins, Firefly, Fishing, Flip Flops, Flowers, FoPage 9This novel study for The BFG, by Roald Dahl, contains 150 pages of resources, including comprehension and vocabulary by chapter, reading response activities, assessments, and more.Focus standards include figurative language, character analysis, plot, and opinion writing.Perfect for whole class, small group, or independent study.♥You're free to use the printable OR digital version; BOTH are included with your purchase!♥Perfect for distance learning. Students can access the digital version from hPage 10This novel study for The Lemonade War, by Jacqueline Davies, contains 134 pages of resources, including comprehension and vocabulary by chapter, reading response activities, assessments, and more.Focus standards include figurative language, theme, character analysis, plot, and point of view.No-prep, predictable, and extremely user-friendly, this literature guide is perfect for whole class, small group, or independent study. ♥You're free to use the printable OR digital version; BOTH are included!Page 11Need an engaging, no prep activity? Your students will love this interactive digital escape room. This activity is designed to work on laptops, tablets, or smartphones.Your students will "visit" four different cities: Sydney, St. Petersburg, London and San Francisco.In order to travel from one city to another, they will have to solve expressions with order of operations.There are 40 expressions.After completing each game, they will find a link that will take them to another location.Since this ePage 12A collection of Children from different parts of the world: Africa, Brazil, Canada, USA, Germany, China, Holland, France, India, Italy, Japan, UK, Russia, Spain, Mexico and a 'Children Of The World' sign.These cartoon-like children are dressed in clothes that have some connection to their countries. This set has been designed for younger elementary children to give a brief, fun and colorful representation of each country.\* This is just a general set of images of children around the world. ThesePage 13A collection of Children from different parts of the world: Africa, Brazil, Canada, USA, Germany, China, Holland, France, India, Italy, Japan, UK, Russia, Spain, Mexico and a 'Children Of The World' sign.These cartoon-like children are dressed in clothes that have some connection to their countries. This set has been designed for younger elementary children to give a brief, fun and colorful representation of each country.\* This is just a general set of images of children around the world. ThesePage 14This novel study for The Chocolate Touch, by Patrick Skene Catling, contains 108 pages of resources, including comprehension and vocabulary by chapter, reading response activities, assessments, and more.Focus standards include setting, theme, character analysis, plot, and opinion writing.No-prep, predictable, and extremely user-friendly, this literature guide is perfect for whole class, small group, or independent study.♥Perfect for distance learning. Students can access the digital version fromPage 15This is an engaging autumn themed five levels practice on factoring polynomials by factoring out the greatest common factor. There are five problem slides as each slide contains six problems labeled with A,B,C,D,E and F. On the first slide the problems are of level 1 where the GCF is a first degree monomial in one variable. On the second slide the problems are of level 2, the third slide are level three problems as the GCF is a second and higher degree monomial in one variable. SlideMARCA LAS SILABAS Y VOCALESEste recurso será muy divertido para tus pequeños estudiantes, utilizando los círculos de colores y colocandolos en las vocales o las sílabas del abecedario. Ideal para practicar el abecedario y las sílabas durante tu clase de español.Incluye:-1 hoja con las vocales.-24 hojas con las sílabas de las consonantes.-Se incluye la ch, ll, ñ. \*\*Este recurso incluye dispositivas de Google, por lo que necesita tener una cuenta de Google para usar este recurso. Se puede utilizarSubjects:Engage your ESL/EFL students with this wonderful fable activity pack. Use these wonderful stories as a basis for teaching important vocabulary, reading and writing skills to your primary students. This is an excellent resource for ESL and EFL classrooms, too! Your students will be drawn in by the story and you will love the important skills they are learning.The activities in the units work on vocabulary, retelling, summarizing, story elements, reading comprehension and so much more! These NO PRPage 16Looking for fun and easy Christmas party ideas? Why not take your kiddos on a virtual field trip to the North Pole where they will make 10 fun stops, filled with fun and learning, in their effort to help Santa find his lost reindeer.Kids will enjoy playing a reindeer game, learning how toys are made, going for a sleigh ride, eating Christmas cookies, doing a candy cane challenge, writing a letter to Santa and more! CHECK OUT THE PREVIEW TO SEE A LIST OF ALL ACTIVITIES!Activities include songs, aPage 17In preparation for writing the informative paper on diversity and finding where it can be celebrated in the classroom, this free, engaging lesson offers opportunities for teacher-led student discussion, diversity discovery and exploration though class literature learning. Students can access the digital version fromPage 18This resource includes BOTH PDF and Google Slides versions. View the preview video for a look at the Google Slides version.This geography unit PDF bundle contains:-7 interactive notebook activities (compass, globes, maps, world map, vocabulary, grid map notes, making a grid map)-4 lesson resources (compass, compass rose, geography parts of speech, Snowman at Night grid map)-1 Me on the Map Project (flipbook with pages: My Street, City, State, Country, Continent, Planet)The activities included rPage 19The mind + heart Social Emotional Learning Curriculum includes 8 units with 5+ detailed, character education LESSONS filled with hands-on and mindful activities that encourage children in Kindergarten, first grade, and second grade to build important social skills and emotional awareness.Teach children the most important lessons in life when they need it the most with units and activities on emotions, self-regulation, growth mindset, empathy and social awareness, friendship, kindness, respect, aPage 20The Magic Of Math Unit 3 focuses on 2D Shapes: Composing and Decomposing, Naming Shapes, Attributes, Partitioning, Sorting and Classifying3D Shapes: Sorting and Classifying, Naming Shapes, Attributes, ComposingFractions (For CC-halves, thirds, and fourths For TEKS: halves, fourths, and eighths): Naming Fractions, Partitioning, Creating Equal Parts, Examples and Non-Examples, Going Beyond the Whole, Sorting, Explaining Fractional PartsHere is what is included in this month long unit for 2nd gPage 21The Science Stations Units Bundle includes 11 physical, earth, and life science sets for a total of 99 stations. The topics are: ecosystems, natural resources, erosion, adaptations, space, properties of matter, changes to matter, mixtures, energy, weather and water cycle, and plants.Updated for 2022! I think you'll love this update- guided student sheets, an answer key, quicker prep, and improved activities for your class!Looking for stations to review, enrich, and expand on your students' learPage 22Explore the FARM with this complete unit that includes daily lesson plans, activities, and ideas that you need to teach preschool and Pre-K students about the farm. Everything is written out and planned to make your job easier! It includes 10 Circle Time Lessons:Introduction - photos, take a poll, sing a songCows - movement song, concept sortSheep and goats - photos, sing a song, clip clip poemChickens - photos, poem, movement gamePigs - photos, carpet game, songHorses - photos, sing a song, pPage 23In the first bundle, there are more than 200 pages of practice sheets and posters to focus on the following topics: nouns, singular and plural nouns, subject-verb agreement, pronouns, verbs, adjectives, conjunctions, determiners, prepositions, types of sentences, capitalization, and commas.How do you have your students soak in the information that you taught in a whole group lesson and practice it in school and at home? You could use these for:1. classwork2. homework3. literacy center4. early fiPage 24Fine Motor Lessons and Activitiesby What is the Fine Motor Lessons + Activities Packet?This packet is designed to offer an engaging and FUN way to explore fine motor! This packet can be used to supplement your morning work, centers, intervention, or as a whole-group fine motor curriculum. This packet contains 150 quick-lessons and 150 corresponding recording sheets. These sheets can be used loose, placed into a 3-ring binder/folder, printed 2-to-1 page for a composition notebook, or printed at 90% and placed in a spiral notebook.INSTANT Math Tool Kitby What are the INSTANT Math Tool Kits?Create for your students, INSTANT Math Tool Kits. In this download you will receive the printables for your student math tool kits. These kits will allow each student access to math tools independently. This download includes 50+ math tools. This packet is great for PreK through 2nd grade!View an overview video of the tool kit resources HERE. You will choose from the available resources to fit your students' needs at the time. You also have access to EDITABLEThis is the vocabulary resource you've been looking for! These worksheets give multiple exposures to both tier 1 and tier 2 vocabulary words... perfect for providing direct vocabulary instruction during speech and language therapy! They're research-supported, effective, and take absolutely no prep work - just print and go!These worksheets are especially great for students with a wide variety of language levels because you can start with more basic words (e.g., old, empty, open) and proceed to moAfter creating the original Basic Skills Task Boxes, I had several requests for more activities at the same level (pre-k and early kindergarten). Each set contains 24 task boxes, each with 3 levels of difficulty to promote independence in your classroom. Read more about these task boxes here. This bundle contains 5 themed task box units, each with 3 levels of differentiation!Winter SpringSummer Back-to-school Autumn BONUS: Just added 12 teen number tasks as a freebie!Each bundle will contain 3!This is the fifth unit in my new Primary Writing Series! All materials are Common Core aligned and are easy to implement and use in differentiated settings. We are learning how to write about our opinions in Unit 5. I provide scaffolding throughout the entire unit, and lessons are sequential in a way that makes sense to both students and teachers. These units are perfect for kindergarten and first grade. They can also be used in second grade classrooms as well, depending on your students'Help! It's the middle of January and they just put a beginner level English Language Learner in my History class! Help your new student feel successful and productive with these ESL Beginners worksheets and ESL activities. Each unit in the packet is designed to provide engaging, independent practice for your newcomer or beginner level upper elementary to adult learner. Couple this with my Grammar Practice, Games or my Newcomer Units and you'll be ready to rock!Updated to include Digital AccessA Binder of Literacy and Math Centers BUNDLEby What is the Binder of Literacy and Math Centers?The Binder of Literacy and Math Centers bundle offers an all-in-one center option that is still engaging and hands-on. This packet is an excellent option if you are doing low-exposure (not sharing of supplies among students) during center time. The Binder of Centers can be used during independent literacy centers, independent math centers, used at the guided reading table, used at the guided math table, a literacy intervention group, a math interveneParent Packet for Open Houseby UPDATED FOR THE 2021-2022 SCHOOL YEAR - PLUS NOW AVAILABLE DIGITALLY TO USE IN GOOGLE SLIDES!Get ready for Open House and Back-to-School! Use this parent packet to help inform your parents at Open House Night about the fun year ahead! I have made this packet mostly all editable in order that you can make the needed corrections to fit you, your classroom, routines, expectations, etc. With that being said, this is not a quick and easy, print and go resource. You will need to edit this product toThis is the ONLY set of Fraction Operations resources you will need when planning rigorous student activities while students are learning operations with fractions! This digital and printable Fraction Operations Bundle includes resources for adding fractions, subtracting fractions, multiplying fractions, and dividing fractions.95+ pages of fraction operations practice! You provide the instruction, and this bundle provides all the practice, enrichment, and review they could possibly need! ThisCheck out the preview and thumbnails!A new year (or a new school year) is a great time to turn over a new leaf, try new things, and end bad habits. Right around winter break (or at the beginning of a new school year) have a class discussion about resolutions. Brainstorm goals that are attainable and share some of your own. Have students create the foldable and then hang them for others to read.\* This activity is great for all students!\* Wonderful for goal-setting discussions and character educaINSTANT Names Printables FULLY EDITABLEby What are the INSTANT Names Printables?This packet is designed to offer an engaging and FUN way to explore names! This packet can be used to supplement your phonics block, early finishers, homework practice, intervention block, or as a literacy centers. The practice sheets are designed to maximize student engagement and offer a chance for students to practice their name. These sheets are editable via Adobe. Simply type in your class list and the printables will auto populate in the packet. ChooseTypes:Page 25One of the most important parts of AAC implementation is making sure that the entire team (family members, staff) is consistently using simple but effective AAC strategies such as consistent AAC access, modeling, and core vocabulary. This resource will help you educate others about four foundational, research-based, strategies (or "best practices") for implementing and teaching AAC. This resources includes five sections as follows:AAC Basics: Get familiar with AAC, what it is, the different typePage 26Make learning about the butterfly life cycle even more fun with butterfly activities that combine science, reading and writing with hands on experiments. Students learn the stages of the butterfly life cycle, explore pollination, the compound eye, metamorphosis, adaptations, and so much more! Whether or not you raise live butterflies, this quality science resource is the perfect addition to your life cycle of butterflies activities. This complete science unit is packed with over 25 highly engagi
